Lord Jesus come into my heart : Christ Jesus came into the world to save sinners - of whom I am the worst. I Timothy 1:15

"Zacchaeus, come down immediately. I must stay in your house today." Zacchaeus was overjoyed and took JESUS to his house. There He got convicted of his sinful living. He repented immediately and made a declaration that He would restore all He had taken by deception and fraud! Salvation came to his house that day because JESUS went to his house! When JESUS lived on this Earth HE was prepared to mix with sinners, and reach out to them with love and forgiveness. Why? Because they needed to hear the good news of GOD's Kingdom, to be given the opportunity to repent and put their faith in HIM. HE carried healing where there was sickness, deliverance where there was bondage. HE did not avoid sinners. HE embraced them in love". But the Pharisees criticized HIM. They were unwilling to receive the true righteousness which comes through repentance and faith in JESUS. And the result? They lost the privilege of knowing and accepting JESUS as their Savior.

Today's Verse: Psalms 118:24 - This is the day that the lord has made. We will rejoice and be glad in it.

Walking with God

"Therefore I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours."
- Mark 11:24

What an incredible promise from Jesus Himself! When we come before God in faith, trusting Him with our needs and desires, we can be confident that He hears us. Faith is not about seeing first—it's about believing, even when the answer hasn't yet arrived. God is faithful to respond to hearts that trust in Him fully.

There may be times when doubts creep in or circumstances appear unchanged, but hold fast. Keep praying, keep believing. God works in ways we cannot always see, shaping things in the spiritual before we see them in the physical. His timing is perfect, and His answers are always for our good.

So today, be bold in your prayers. Ask with a heart full of faith and expectation. Let your confidence rest not in your own strength, but in the power and goodness of the One who promises, "It will be yours."

UPDATE FROM Madhepura Field - 27 May 2026

Sub: Supporters and Prayer letters of March – May 2026,

Dearsupporters,

Greetings to you all in the precious name of our Lord and Saviour Jesus Christ. Once again, we express our thanks and gratitude to God for his care and guidance in our lives despite many difficulties and challenges, as well as to you all for your constant prayers and support for the ministry here in Bihar.

Someofthe updates:

In March, we visited our contact, Bhadei Mandal, in Tulsiya village. After the recovery from the sickness he had suffered, he started to show interest in praying, requesting the missionary to pray for him whenever we visited, as he claimed that he always found peace and comfort when we prayed for him and his family. Even though he is not a believer yet, he manifested his interest by listening to a prayer Offered to him. We believe that God will work miraculously in his life so that one day he will come to accept Christ as his personal Saviour.

Every Friday of every month, we used to have a fasting prayer and Bible study in Sahasol village for one family who are seekers and have shown a keen interest in knowing more about God and his word. Eventhough it's a small fellowship, we believe that God will bless this family so that one day this small bible study will bring more people to this prayer.

By God's grace, we visited Tulsiya village and had a small health awareness program there, teaching a few families about Basic health education on cleanliness and how to take care of themselves properly when they get sick. For cleanliness was very much lacking among most of the people here. So, this one will help them to grasp some knowledge of how to take care of their health and surroundings. We could screen and check the BP and sugar for some old people and guide them to the hospital when it's needed. Holistic ministry is one of the strategies we are using in reaching out to the people based on the context.

In April, we visited a new village, Ramtola Maikhan. During our time here, we met some locals, chatted with them, listened to their stories, and tried to build a rapport with them. Throughout the visit, we prayed earnestly that God would open doors for us and guide us to get good contacts in this village, so we could build and extend our ministry to this place in the days to come.

Ashok Sahani was a seeker. Whenever he tried to pray, he would experience a strong vomiting sensation that forced him to stop. We understood this as a form of demonic attack. As a team, we prayed for him, and now he has received relief and is fully liberated. He and his wife are the only people from Sahasol village who are earnestly longing to know Christ. Kindly do remember this family in prayer.

Prayerpoints:

1. Please pray for my wife's health as she has been unable to conceive.
2. Please pray for my daughter Alice Nissi as she prepares for her Class 3 first-semester exams beginning next week.
3. Please pray that our contact Bhadei Mandal and his family come to the saving Knowledge of Jesus Christ, as he has begun showing keen interest whenever we pray.
4. Please pray that God will open doors for new contacts in the days to come.
5. Please pray for the villages we visited, that the people will respond positively to our visit.
6. Please pray for Sonu, our contact from Tulsiya, that he may grow in the Lord daily and read His Word.

Thank you,

Mel Firstime Rynth, Madhepura field,Bihar
